

Blackpool Newsletter November 2019

How time flies!

The last 9 weeks have flown by and we hope all the students have enjoyed their first quarter at Super Stars.

Whatsapp Groups

Whatsapp groups have been set up for every class. Please can you join the group for your child. Important information is communicated on this. It is vital that all parents are joined.

LAMDA Classes

LAMDA examination classes resume Sat the 30th of November. This class is a traditional speech and drama class that gets students prepared to take their LAMDA exams in drama, with examiners travelling from London to examine them.

This class focuses on diction, individual pieces and vocal production. These skills are not only essential for theatre performance but for life. Enrolment in this class allows the students space to grow in confidence, helps improve speech and diction, encourages a deeper understanding of text (which is helpful for school) and helps to develop both your child's memory and recall abilities.

Children who continue with LAMDA exams potentially could gain their teaching Diploma which is fantastic as all LAMDA grades are worldwide recognised.

This class is 16 weeks and is 160 euro plus LAMDA exam fee which varies depending on grades being taken. There are no more than 8 students per class and is held in the Blackpool Studio

Any student who would like to enrol in this 16 week course please contact the office.

Christmas Show 2019

Blackpool's drama/ musical theatre and modern dance classes will perform a Christmas variety show in the Nano Nagle Theatre in Ballyphehane on December 1st at 3.30 and 6.30 Children MUST arrive 30mins before opening.

Rehearsals will be held on Saturday 30th Nov

Tickets for Christmas Show and House Rules

Tickets for our Christmas showcase are 10 euro each and can be purchased on Eventbrite from the 11th of November. A link will be posted in all WhatsApp groups. Due to fire safety in the theatre children age 2 plus require a seat/ticket. If you are bringing a younger child to the show, please make sure the child will sit through it. As it can be very distracting for the students on the stage if a child in the audience is moving seats or going up and down the aisles. Tickets are non-refundable. Use of photography or recording is prohibited due to child protection. We will take pictures of students backstage who have permission. Our Super Show is fully recorded via DVD.

Costume for Christmas Showcase/dropping collecting

In order to keep costs low for parents we do not require parents to purchase any costumes, as each child will have a costume requirement for the Opera House showcase in May.

All students are asked to wear base black. Hair off their faces. Black theatre jazz shoes or plain black light shoes. Please do not wear anything with a print, please do not wear trainers that light up. All coats will be left with parents at the foyer of the theatre. Children can bring a drink of water backstage. Please label all items of clothing and any bags.

Parents are not permitted backstage once a child has been dropped off. Colouring and Lego will be provided backstage for junior class.

After the show classes will be released by age starting with juniors.

Calendar Dates and Fees Reminders

Our full Calendar dates are downloadable from our parent's page site using the password Superstarspar1. If you opted to pay 9 weeks payment this is now due. All fees must be up to date for students to take part in the performance

Adam Garcia was here!

We were star struck on October 25th as Adam Garcia, yes that Adam Garcia! treated our students to a musical theatre workshop. We were so lucky that Adam was able to give this opportunity to our students. It was great to see the amazing attendance for this workshop with students travelling from all Super Stars locations.

Christmas Shop

The Christmas Shop is now online and deposits are being taken for packages through the office. Jazz shoes, leotards and tracksuits are all available. Please let us know if this is a surprise when ordering.
